

Namankit Scheme

In the State of Maharashtra, the literacy rate among Scheduled Tribes is 52.2 percent. Since higher education is predominantly conducted through the English medium, students belonging to Scheduled Tribes tend to lag behind in academic progress. In the present scenario, English has gained significant importance, and although there is a growing inclination among Scheduled Tribe students toward English-medium education, gaining admission to reputed English-medium schools in urban areas is beyond their financial capacity.

With the objective of providing large-scale opportunities for English-medium education to Scheduled Tribe students, the Tribal Development Department, through Government Resolution No. Adivasi Vikas /shasan Nirnay/CaseNo.८१/K-१२ Dated २८/०८/२००९ accorded approval at the government level to impart education from Class I to Class XII in selected reputed residential schools for Scheduled Tribe students. In accordance with this Government Resolution, the scheme was implemented from the academic year 2010-11.

At present, under this project, three reputed residential schools are operational. In these schools, a total of 1528 students are receiving education, comprising 870 boys and 658 girls. Additionally, under this reputed school scheme, 24 students are pursuing education in 9 other reputed schools.

Reputed schools functioning under this project and the number of students”
